Re-Opening for 2020-2021

School of the Woods announces a change to the re-opening for the 2020-2021 school year. The school year will begin on Tuesday, September 8, 2020, and end Friday, May 28, 2021.

In light of Houston's ongoing COVID-19 circumstances, the school will re-open only in virtual learning format on Tuesday, September 8, and continue in this format until Friday, October 16. There will be no in-person classes from September 8 through October 16. If the health crisis improves sufficiently, students will be able to return to in-person classes on Monday, October 19.

Virtual classes only will be offered for all students from September 8 through October 16, pre-school through high school. If families choose not to have their children participate in virtual school, they must call the office for the **deferred enrollment procedure**.

Beginning-of-the-new-school-year information, including virtual classroom daily schedules, will be mailed and emailed in the near future.

Thank you for your patience and understanding during the recent months and constantly changing health climate.

Stay well,

Sherry Herron
Head of School
